If you have any allergies/dietary requirements please speak to a member of staff.
Please note, a discretionary 10% table service charge will be added to your bill if you are sat
inside.

If you are sat outside, please come up to the bar to order.

With the government lifting of the restrictions that have been in place since March 2020 we are
of course delighted to welcome people back into our pub with fewer restrictions in place.

However, we continue to be careful and mindful of the safety of both our customers and staff
and this is first and foremost our principal concern.

The virus is still with us and we urge all our customers and staff to be prudent in maintaining
the sensible steps of **HANDS, FACE, SPACE**.

As we get used to re-opening, we shall begin to relax our rules but we continue to encourage all
our staff and customers to wear masks or face coverings when moving around our pub and also
to make good use of the sanitising stations, to wash hands and maintain a level of distance
consistent with Government advice.

Ordering, standing or sitting at the bar will be phased back in as both our customers and staff
feel comfortable.

We trust that you understand and that, even with the liftings of some restrictions, the virus is
still with us as we would like you to continue to visit and for us to work in safety whilst you
are with us.

Thank you for your continued support!
